Technical information about this website’s accessibility

This website is fully compliant with the [Web Content Accessibility Guidelines version 2.1](#) AA standard.

Content that’s not within the scope of the accessibility regulations

PDFs and other documents

Many of our older PDFs and Word documents do not meet accessibility standards – for example, they may not be structured so they are accessible to a screen reader. This does not meet WCAG 2.1 success criterion 4.1.2 (name, role value).

Some of our PDFs and Word documents are essential to providing our services. For example, we have PDFs with information on how users can access our services, and forms published as Word documents. We will endeavour to either fix these or replace them with accessible HTML pages.

The accessibility regulations [don’t require us to fix PDFs or other documents published before 23 September 2018](#) if they are not essential to providing our services. Therefore we have removed the older versions of agendas and minutes and financial documents. If you require access to any of these please contact clerk@midghampc.co.uk in the first instance.

We will endeavour to ensure that new PDFs or Word documents we publish will meet accessibility standards.
